## 12. THE CHOCÓ CLOUD FOREST

Visit the Andean Chocó, one of the most bird biodiverse places on the planet and declared a Biosphere Reserve by UNESCO. Explore one of the worldwide hotspots for birdwatching, beautiful landscapes, rivers, and unique flora and fauna.

Stay at one of the exclusive lodges at the heart of the cloud forest located only a few hours from Quito. Take guided activities and excursions within the reserve: walks, birdwatching and nature encounters, waterfalls, and butterfly gardens; while enjoying comfortable accommodations and delicious cuisine. In this program, we recommend staying at least one night at the suggested lodges.

Package with accommodation included - at least one night.
