

These tours have been selected and designed exclusively for LinkExperiences guests.

Take these journeys as a starting point. If you would like to combine them or change some activities to experience something different, we would be happy to design custom-made journeys according to your request.

9. PAPALLACTA HOT SPRINGS

Absorb the beauty of this ecological reserve and treat yourself to a well-deserved natural hot springs bath in the private thermoludique area (thermal pools), and for an additional cost, access the SPA and take an optional soothing massage.

This is also an ideal option to end your journey in Ecuador by staying the day before your flight back home because of its proximity to Quito International Airport.
